

The outgrowth of the major trade agreements I referenced earlier has been a race to the bottom in labor standards, environmental standards, health and safety standards, in nearly every aspect of our economy. A race to the bottom is a race in which even the winners lose.

We need to turn our trade policies around. We need to pursue trade agreements that will promote sustainable economic growth for our Nation and for our trading partners. The resolution I submit today will begin to put us on that path, and I urge my colleagues to support it.
